1. Certificate of Support -- 20 CFR 404.370, 404.408a, and 404.750 --

0960-0001. A parent of a deceased, fully insured worker may be entitled to Social Security Old-Age, Survivors, and Disability Insurance (OASDI) benefits based on the earnings record of the deceased worker under certain conditions. One of the conditions is when the parent receives at least one-half support from the deceased worker at certain points in time. The one-half support requirement also applies to a spousal applicant in determining whether OASDI benefits are subject to Government Pension Offset (GPO). SSA uses Form SSA-760, Certificate of Support, to determine if the parent of a deceased worker or a spouse applicant meets

the one-half support requirement. Respondents are parents of deceased workers and spouses who may meet the GPO exception.

2. **Medical Source Opinion of Patient's Capability to Manage Benefits -- 20 CFR 404.2015 and 416.615 -- 0960-0024.** SSA appoints a representative payee in cases where we determine beneficiaries are not capable of managing their own benefits. In these instances, we require medical evidence to determine the beneficiaries' capability of managing or directing their benefit payments. SSA collects medical evidence on Form SSA-787, Medical Source Opinion of Patient's Capability to Manage Benefits, to: (1) determine beneficiaries' capability or inability to handle their own benefits; and (2) assist in determining the beneficiaries' need for a representative payee. The respondents are the beneficiary's physicians or medical officers of the institution in which the beneficiary resides.

SSA uses the SSA-821-BK and SSA-821-APP to obtain work information during the initial claims process, the continuing disability review process, post-adjudicative work issue actions, and for Supplemental Security Income (SSI) claims involving work issues. SSA reviews and evaluates the data to determine if the applicant or recipient meets the disability requirements of the law. The respondents are applicants or recipients of Title II Social Security Disability, and Title XVI SSI

applicants.

Individuals complete Form SSA-8000-BK, Application for Supplemental Security Income, to apply for SSI. SSA uses the information from Form SSA-8000-BK, and its

electronic Intranet counterpart, the SSI Claim System, to: (1) determine whether SSI claimants meet all statutory and regulatory eligibility requirements; and (2) calculate SSI payment amounts. The respondents are applicants for SSI or their representative payees.

5. **State Supplementation Provisions: Agreement; Payments -- 20 CFR 416.2095-416.2098, and 416.2099 -- 0960-0240.** Section 1618 of the Social Security Act (Act) requires those states administering their own supplementary income payment program(s) to demonstrate compliance with the Act by passing Federal cost-of-living increases on to individuals who are eligible for state supplementary payments. SSA requires states to report to SSA their compliance of the passing-along of such increases. In general, states report their supplementary payment information annually through the maintenance-of-payment levels method. However, SSA may ask them to report up to four times in a year through the total-expenditures method. Regardless of the method, the states confirm their compliance with the requirements, and provide any changes to their optional supplementary payment rates. SSA uses the information to determine each state's compliance or noncompliance with the pass-along requirements of the Act to determine eligibility for Medicaid reimbursement. If a state fails to keep payments at the required level, it becomes ineligible for Medicaid reimbursement under Title XIX of the Act. Respondents are state agencies administering supplementary income payment programs.

20 CFR 416.546, 416.635, 416.640, and 416.665 -- 0960-0576. SSA

requires representative payees to submit a written report accounting for the use of money paid to Social Security or SSI recipients, and to establish and maintain a dedicated account for these payments. SSA uses Form SSA-6233, Representative Payee Report of Benefits and Dedicated Account, to: (1) ensure the representative payees use the payments for the recipient's current maintenance and personal needs; and (2) confirm the expenditures of funds from the dedicated account remain in compliance with the law. Respondents are representative payees for SSI and Social Security recipients.

7. Credit Card Payment Form -- 0960-0648. SSA uses Form SSA-1414,

Credit Card Payment Form, to process: (1) credit card payments from

former employees and vendors with outstanding debts to the agency;

(2) advance payments for reimbursable agreements; and (3) credit card

payments for all Freedom of Information Act (FOIA) requests requiring

payment. The respondents are former employees and vendors who have

agreements with SSA; and individuals who request information through

FOIA.

8. Registration for Appointed Representative Services and Direct

Payment -- 0960-0732. SSA uses Form SSA-1699, Registration for Appointed Representative Services and Direct Payment, to register appointed representatives of claimants before SSA who:

- Want to register for direct payment of fees;
- Registered for direct payment of fees prior to 10/31/09, but need to update their information;
- Registered as appointed representatives on or after 10/31/09, but need to update their information; or
- Received a notice from SSA instructing them to complete this form.

By registering these individuals, SSA: (1) authenticates and authorizes them to do business with us; (2) allows them to access our records for the claimants they represent; (3) facilitates direct payment of authorized fees to appointed representatives; and, (4) collects the information we need to meet

Internal Revenue Service (IRS) requirements to issue specific IRS forms if we pay an appointed representative in excess of a specific amount (\$600).

The respondents are appointed representatives who want to use Form SSA-1699 for any of the purposes cited in this Notice.

Type of Request: Revision of an OMB-approved information collection.

9. Notification of a Social Security Number (SSN) to an Employer for Wage Reporting Purposes -- 20 CFR 422.103(a) -- 0960-0778.

Individuals applying for employment must provide an SSN or indicate they have applied for one. However, when an individual applies for an initial SSN, there is a delay between the assignment of the number and the delivery of the SSN card. At an individual's request, SSA uses Form SSA-132, Notification of a Social Security Number (SSN) to an Employer for Wage Reporting Purposes, to send the individual's SSN to an employer. Mailing this information to the employer: (1) ensures the employer has the correct SSN for the individual; (2) allows SSA to receive correct earnings

information for wage reporting purposes; and (3) reduces the delay in the initial SSN assignment and delivery of the SSN information directly to the employer. It also enables SSA to verify the employer as a safeguard for the applicant's personally identifiable information. The respondents are individuals applying for an initial SSN who ask SSA to mail confirmation of their application or the SSN to their employers.

Type of Request: Revision of an OMB-approved information collection.

Modality of Completion	Number of Respondents	Frequency of Response	Average Burden Per Response (minutes)	Estimated Total Annual Burden (hours)	Average Theoretical Hourly Cost Amount (dollars)*	Average Wait Time in Field Office (minutes) **	Total Annual Opportunity Cost (dollars)***

10. Data Exchange Request Form -- 20 CFR 401.100 -- 0960-0802. SSA

maintains approximately 3,000 data exchange agreements and regularly

receives new requests from Federal, State, local, and foreign governments,

as well as private organizations, to share data electronically. SSA engages

in various forms of data exchanges from Social Security number

verifications to computer matches for benefit eligibility, depending on the requestor's business needs. Section 1106 of the Act requires we consider the requestor's legal authority to receive the data, our disclosure policies, systems' feasibility, systems' security, and costs before entering into a data exchange agreement. We use Form SSA-157, Data Exchange Request Form, for this purpose. Requesting agencies, governments, or private organizations will use the form when voluntarily initiating a request for data exchange from SSA. Respondents are Federal, State, local, and foreign governments, as well as private organizations seeking to share data electronically with SSA.

Type of Request: Revision of an OMB- approved information collection.

Modality of Completion	Number of Respondents	Frequency of Response	Average Burden Per Response (minutes)	Estimated Total Annual Burden (hours)	Average Theoretical Hourly Cost Amount (dollars)*	Total Annual Opportunity Cost (dollars)**

* We based this figure by averaging the average Management Analyst

hourly salary, as reported by Bureau of Labor Statistics data

(www.bls.gov/oes/current/oes131111.htm); the average Business and

Financial Operations hourly salary

(www.bls.gov/oes/current/oes130000.htm); and the average Epidemiologist

hourly salary (www.bls.gov/oes/current/oes191041.htm).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents

will spend to complete the application. **There is no actual charge to respondents to complete the application.**

11. Fee Agreement for Representation before the Social Security

Administration -- 0960-0810. The Act requires individuals who represent a claimant before the agency and want to receive a fee for their services to obtain SSA's authorization of the fee. One way to obtain the authorization is to submit the fee agreement to the agency either in writing or by using Form SSA-1693, Fee Agreement for Representation before the Social Security Administration. Since representatives currently use fee agreements which vary in length, content, and complexity, submission of a free-form fee agreement may cause delays in SSA's review time. Therefore, SSA encourages respondents to use Form SSA-1693 to submit the information either using the paper form or the electronically submittable e1693 through SSA's website. SSA uses the information from the SSA-1693 to review the request and authorize any fee to representatives who seek to charge and collect a fee from a claimant. The respondents are the representatives who help claimants through the application process, and the claimants who they represent.

Type of Request: Revision of an OMB-approved information collection.

Modality of Completion	Number of Respondents	Frequency of Response	Average Burden Per Response (minutes)	Estimated Total Annual Burden (hours)	Average Theoretical Hourly Cost Amount (dollars)*	Total Annual Opportunity Cost (dollars)**
SSA-1693	5,000	1	13	1,083	\$50.47*	\$54,659**

* We based this figure on the averaged total of the average Lawyer's Legal

Services wages, as reported by Bureau of Labor Statistics data

(<https://www.bls.gov/oes/current/oes231011.htm>), and the average U.S.

worker's hourly wages, as reported by Bureau of Labor Statistics data (https://www.bls.gov/oes/current/oes_nat.htm#00-0000).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. **There is no actual charge to respondents to complete the application.**
